

Ref **KH-US-SPEC-001**

Issued **27 August 2026**

Single-estate supply

PRODUCT SPECIFICATION

Sawn timber from a single estate in Tzaneen, Limpopo. One source, one chain of custody, cut to your dimensions. Prices are quoted on application against a stated species, grade, dimension and volume.

1 · SPECIES

EUCALYPTUS (SALIGNA)		PINE	
Botanical	<i>Eucalyptus grandis / saligna</i>	Botanical	<i>Pinus patula / elliottii</i>
Density, air dry	700 – 800 kg/m³	Density, air dry	450 – 550 kg/m³
Character	Hardwood. Pink to red-brown, straight grain, good working properties	Character	Softwood. Pale, uniform, easily machined and treated
Typical use	Furniture, joinery, flooring, structural, pallet stock	Typical use	Construction, packaging, mouldings, furniture components

2 · PRODUCT FORMS

FORM	MOISTURE CONTENT	FINISH	NOTES
Rough-sawn, green off-saw	Green, above 30%	Sawn four sides	Ex-mill, for your own drying and machining
Air-dried	18 – 22%	Sawn four sides	Stacked and stickered on site
Kiln-dried	10 – 12%	Sawn or planed	Kiln schedule to species; certificate per pack
Planed / dressed	10 – 12%	Planed all round	To your profile and tolerance

3 · DIMENSIONS & GRADING

CUTTING		GRADING & PACKING	
Thickness range	19 – 76 mm	Grading	To SANS or to your own house grade, whichever you work to
Width range	50 – 300 mm	Packing	Strapped packs, stickered where required
Length range	1.2 – 4.2 m	Measure	Cubic metre, nominal or actual, stated per contract
Custom dimensions	Cut to your cutting list, no additional charge on volume orders	Certification	FSC chain of custody, single estate, traceable to compartment
Tolerance	To agreed sawing tolerance, stated per contract		

4 · SUPPLY & COMMERCIAL

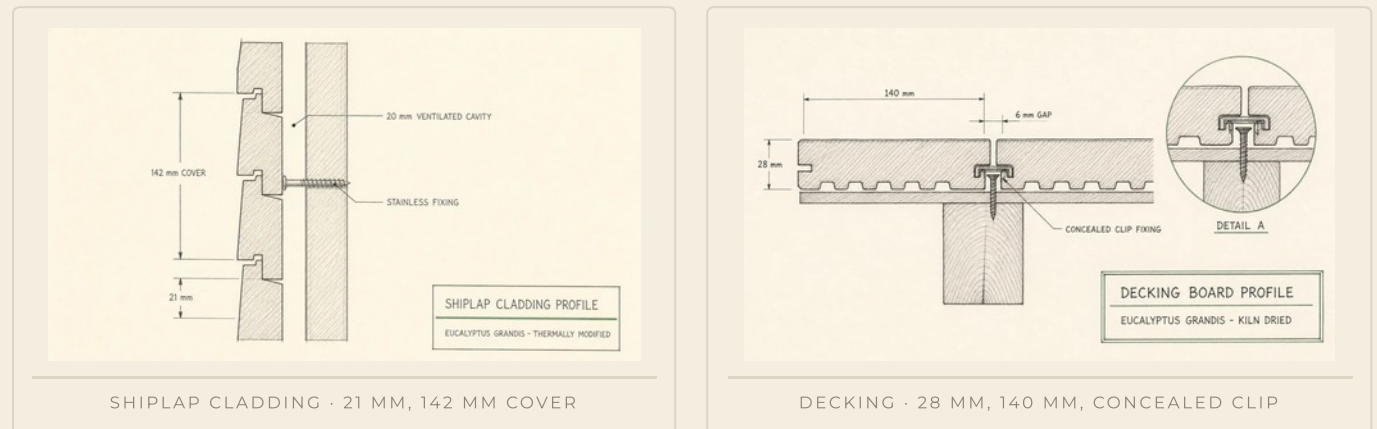

Origin	Single estate, Tzaneen, Limpopo. One source, no mixed-origin loads.
Delivery	Ex-mill Tzaneen, or delivered. Well positioned for Limpopo, Gauteng and the northern market.
Order sizes	From a single load through to standing monthly volume on contract.
Pricing	On application, against stated species, form, grade, dimension and volume.
Samples	Dispatched on request at our cost. Never a precondition, and no obligation.

Cut to your list, not to ours. Tell us the dimensions, grade and moisture content you actually buy, and we will quote against that rather than against a standard range. If your requirement is seasonal, say so and we will schedule around it.

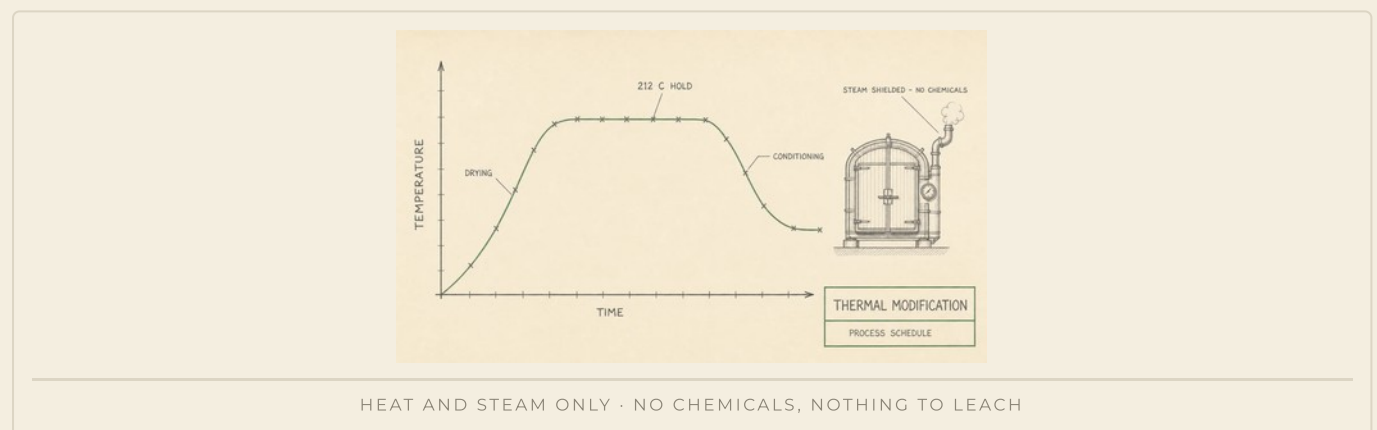

SECTIONS & PROCESS

We quote from a section, not from a swatch. The profiles below are our standard patterns and the dimensions your estimator needs. Send us your own pattern and we cut to it.
