WHAT WE SUPPLY

Five product families, one supply desk.

We place sawn timber from large partner sawmills in Southern Africa with buyers who can pay. You give us a list. We give you one delivered price.

PRODUCT	SPECIES	FORMS	TYPICAL BUYERS
Structural pine, S5 and S7 (SABS-marked where specified)	SA pine	38 x 38 to 38 x 228, lengths 3.0 to 6.6 m	Truss plants, builders, merchants, treaters
Boards, battens, brandering	Pine, gum	Rough-sawn or planed, wet off saw or kiln-dried	Merchants, roofers, furniture, beds
Pallet and packaging timber, cut to list	Pine, gum	Boards and blocks to your cutting list, A, B and C grade	Pallet makers, crate and export packaging, drums
Mine and industrial timber	Pine, eucalyptus	Props, headboards, lagging, mat-pack timber, dunnage, blocking	Mines, rail, ports, utilities
Poles and treatment stock	Pine, eucalyptus	Untreated stock for treaters	Treatment plants, pole yards

GRADES AND MOISTURE

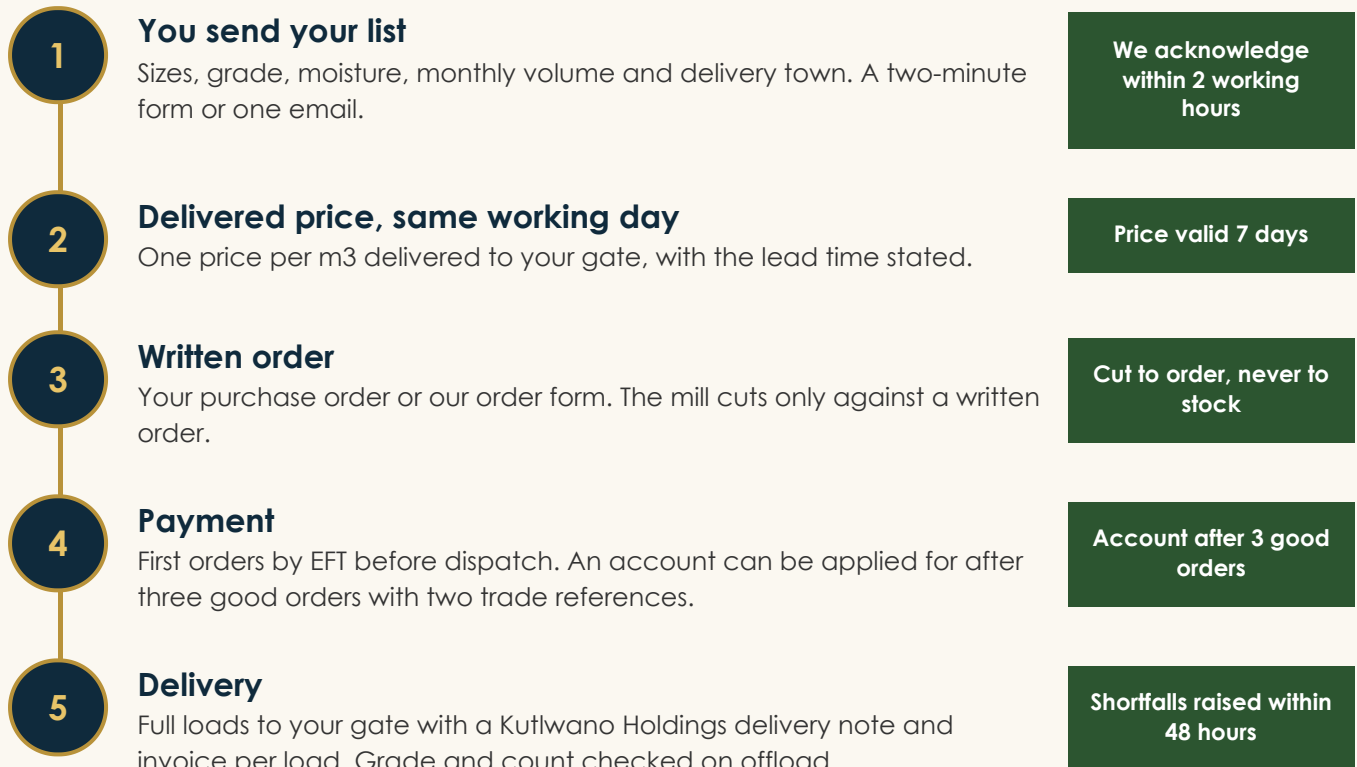

Wet off saw Fresh from the mill, for buyers who treat, dry or process on site.	Air-dried Stacked and seasoned, a steady middle ground on price and stability.	Kiln-dried Ready to use, for furniture, beds, planed boards and tight tolerances.

Grades: to SANS where it applies, or your own house grade.

Structural pine: SABS-marked where your specification requires it, confirmed with each quote.

HOW AN ORDER WORKS

Five steps, each with a clock.

WHY BUY FROM US

Several mills behind one supplier

If one mill is short, another is lined up.

One delivered number

Timber and transport in one rate to your gate.

Cut to your list

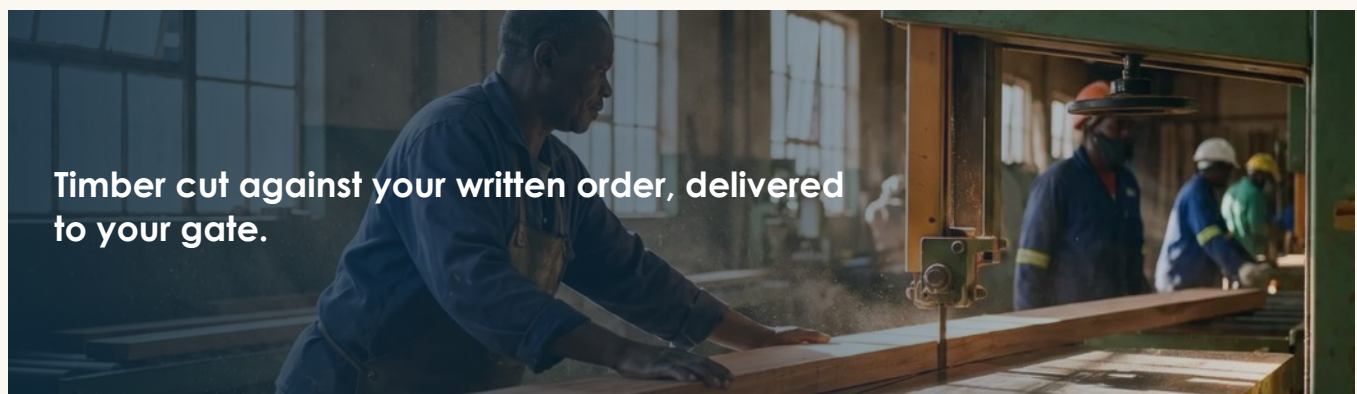

Not to a standard range.

A second source

It keeps your main supplier honest.

A South African company growing into its own mill

So the relationship lasts beyond this order.

Timber cut against your written order, delivered to your gate.

WHAT WE NEED FROM YOU

A short list gets you a price.

A person replies within 2 working hours. A delivered price follows the same working day.
